

Sale Name: April 26th Prewar Standard and O Gauge Toy Trains

LOT 549 - Prewar Dorfan No. 420 Electric Station Light in box

Description

Dorfan Electric Station Light toy railroad accessory with original box. The light is in original orange and black paint with repaired damage to base and column. The box is very square, very solid and shows very light wear. Some overall age fading. 420 is ink stamped with numbers written in ink to label. Other than noted damage, lamp/light looks original C6.

Quantity: 1
