LOT 26 - Modern Era Williams Electric Trains O Gauge No. 4103 FM Trainmaster NYC #2311 in box

Description

Modern Era Williams Electric Trains O Gauge No. 4103 FM Trainmaster, New York Central #2311 diesel locomotive, Crown Edition, ready-to-run in original box with instructions. Train has flaw/melt mark in paint/shell at exhaust stacks. Train otherwise looks C8 with very light run time. Flaw could easily be hidden with some exhaust weathering for realistic layout operation. Box shows little wear, clean, bright, square and solid with an excellent styrofoam clamshell.
