

Sale Name: July 26th 10am EDT Toy Train Auction

LOT 100 - Modern Era Lionel 027 Gauge Train Track Lot - Switches, Crossing, and Remote Control Operating Track

Description

This lot includes a variety of Lionel 027 gauge train track components. Included are two 6-5021 Left Hand turnout manual control switches, a 45-degree crossing section by K-Line K-235, and one Lionel 6-5149 remote control operating track sections (two boxes shown, one is empty). A great addition to any model railroad layout! Accessories are Mint C9-10, most never removed from package. Packages show little to light wear, some price stickers, clean, bright, square and solid.

Quantity: 1
