

Sale Name: July 26th 10am EDT Toy Train Auction

LOT 114 - HO Scale Tyco Diesel freight train set with Engine, Rolling Stock, Track and Accessories

Description

This HO scale train set includes a Santa Fe locomotive, various freight cars (Texaco, Union Pacific, Burlington Northern), a Tyco power pack, track pieces, and an assortment of train accessories. Perfect for starting or expanding your model railroad layout. Tank car has broken frame/railing. Some accessory items are damage/broken from play and dis-assembly. Transformer is clean with no signs of overheating or heavy use, good cord. Please view the photos of the items in this lot carefully for the best description and condition as they are being sold as shown in the photos with no refunds or returns.
