LOT 123 - Lionel Electric Trains Swivel Bar Stool Modern Era style logo

Description

This offering is for a retro swivel bar stool with a Lionel Electric Trains modern era design logo on the seat. The stool has a chrome frame and an orange padded seat featuring the iconic Lionel Electric Trains logo. Stool has been sat on and displayed, minor wear to the tops of the legs where your feet rest. Pad/seat shows very little wear, other than a little scrape on the side about the size of a pencil (it's just to the clear surface, not all the way through), clean and bright. Chrome is still very decent, but should brighten up a bit with a normal polishing. Great piece to actually use in your layout room. Stool measures approximately 30 inches tall and 20 inches in diameter.
