

**Sale Name:** July 26th 10am EDT Toy Train Auction

**LOT 245 - Prewar cast iron O Gauge Wind-Up steam locomotive**

**Description**

Prewar cast Iron O Gauge key wind steam locomotive with separately applied brass/ gold boiler strap, dust and display grime. Locomotive is unmarked, un-numbered and seems to operate fine when wound a bit. Train is in original paint with red stripe under cab window, gold bell and inside of front lantern/headlight. Wheels are two piece tinplate sheet metal, one is replaced. Train should clean and polish to look C6. Train measures approximately 6 inches long.

**Quantity:** 1
